**SUPPLEMENTAL RESPONSE**

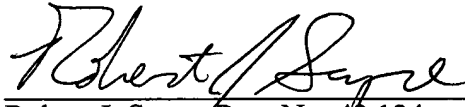

This paper is in response to the Communication, dated, August 1, 2002, from the United States Patent and Trademark Office. In a previous Response, filed on May 28, 2002, the undersigned attempted to remedy an earlier filing of a Terminal Disclaimer executed by an attorney (the undersigned) who was not then of record by filing an Associate Power of Attorney granting power to the undersigned.

In the Communication, the Examiner indicated that the Associate Power of Attorney would not retroactively cure the previously submitted Terminal Disclaimer. Accordingly, submitted herewith is a Terminal Disclaimer newly executed by the undersigned, who is now an attorney of record by virtue of the previously filed Associate Power or Attorney.

In view of the new Terminal Disclaimer, the undersigned respectfully submits that the deficiency cited by the Examiner is remedied. If any issues remain, the Examiner is invited to call the undersigned at the telephone number, below.
